Class of 2026 – Senior Sunday

Do you have a high school senior this spring? We'll soon be preparing to make their graduation cut & tie quilts. I purchase fleece & we try to find a time that parents can help with the actual making of the quilt. If your senior knows the two colors (or just one is ok, too) that they would like, let me know. I understand students are still in the decision-making process and there's no great rush. Some kids have used their college colors, some use favorite colors, some use high school colors, some use their dorm room decoration theme. Just let me know when you have a color choice firmly in mind. We like to finish them a couple weeks before Senior Sunday so we have time to get names embroidered on the quilts.
